FAMILY TRAINING SERIES

DYNAMICS OF WORKING WITH FAMILIES OF DIVORCE IN THE PLAY ROOM

Participants will learn and implement tools to engage families, siblings and other dynamics within the family system in the play room setting. They will increase attunement and positive engagement between individuals to help decrease discord that is present due to divorce. Also, the training will support therapeutic professionals in identifying ways of building trust within the play room to sustain trust outside of the play room.

OBJECTIVES

- 1- Enhance knowledge and application of Child Center Theory in the context of family play.
- 2- Explore dynamics with parent utilizing play to improve therapeutic alliance.
- 3- Learn at least 4 interventions to engage siblings and increase attachment within play.

AGENDA

- 1:00-1:45 Lecture- objective 1
- 1:45-2:45 Lecture- objective 2
- 2:45-3:45 Lecture- objective 3
